This is an exciting opportunity to lead GCSE and A Level History at one of the most successful state schools in England.

We seek an enthusiastic graduate. High energy levels and good inter-personal skills will be essential.

Set in a beautiful 45-acre Surrey site, the School enjoys excellent facilities and an aspirational learning environment. Recognised by HM Chief Inspector of Schools as one of England's finest non-selective schools, Gordon's has circa 800 students including 240 residential boarders and a thriving sixth form. In 2016, the percentage of students achieving five or more GCSE grades A* to C, including English and mathematics, was 97%, which ranks Gordon's in the 10 top non-selective schools in England. The A*-C pass rate at A-Level was 94%, with 81% of the grades A* to B.

Massively over-subscribed, Gordon's size ensures that every pupil is well known and nurtured as an individual. The School has a very strong emphasis on academic standards, self-discipline and traditional values and aims to be much more than just outstanding examination results, providing abundant opportunities outside the classroom and exceptional pastoral care.
