This is an exciting opportunity to lead the Learning Support Department at one of the most successful state schools in England.

We seek an enthusiastic graduate. High energy levels and good inter-personal skills will be essential.

Set in a beautiful 45-acre Surrey site, the School enjoys excellent facilities and an aspirational learning environment. Recognised by HM Chief Inspector of Schools as one of England's finest non-selective schools, Gordon's has circa 800 students including 240 residential boarders and a thriving sixth form. In 2016, the percentage of students achieving five or more GCSE grades A* to C, including English and mathematics, was 97%, which ranks Gordon's in the 10 top non-selective schools in England. The A*-C pass rate at A-Level was 94%, with 81% of the grades A* to B.

Massively over-subscribed, Gordon's size ensures that every pupil is well known and nurtured as an individual. The School has a very strong emphasis on academic standards, self-discipline and traditional values and aims to be much more than just outstanding examination results, providing abundant opportunities outside the classroom and exceptional pastoral care.
