

GORDON'S SCHOOL

Teacher of Science Temporary Cover

Required for January 2017

Gordon's School is busy boarding school and the successful applicant will be expected to contribute to the wider life of the school.

This is an exciting opportunity to deliver KS3 and KS4 science in one of the most successful state schools in Britain.

The ideal candidate will be a well-qualified and enthusiastic graduate. Applications from NQTs are welcome.

Set in a beautiful 45-acre Surrey site, the School enjoys excellent facilities and an aspirational learning environment. Gordon's is recognised by HM Chief Inspector of Schools as one of Britain's finest non-selective schools, with circa 800 students including 240 residential boarders and a thriving sixth form. In 2016, the percentage of students achieving five or more GCSE grades A* to C, including Maths and English, was 97%, which ranks Gordon's in the 10 top non-selective schools in England. The A*-C pass rate at A-Level was 94%, with 81% of the grades A* to B.

Massively over-subscribed, Gordon's size ensures that every pupil is well known and nurtured as an individual. The School has a very strong emphasis on academic standards, self-discipline and traditional values and aims to be much more than just outstanding examination results, providing abundant opportunities outside the classroom and exceptional pastoral care.

Expressions of interest by email to [Mr Bodell](#) Deputy Head (curriculum)

"This is an outstanding school." OFSTED November 2014

West End, Woking, Surrey, GU24 9PT
