This is an exciting opportunity to teach A Level Economics at one of the most successful schools in England.

We seek an enthusiastic teacher. High energy levels and good inter-personal skills will be essential. The ideal candidate must be qualified up to degree level, and a teaching qualification is desirable but not necessary.

The post is suitable for a NQT.

Set in a beautiful 45-acre Surrey site, the School enjoys excellent facilities and an aspirational learning environment. Recognised by HM Chief Inspector of Schools as one of England's finest non-selective schools, Gordon's has circa 840 students including 240 residential boarders and a thriving sixth form. In 2017, the percentage of students achieving five or more GCSE grades A* to C, including English and mathematics, was 92%. The A*-C pass rate at A-Level was 90%, with 72% of the grades A* to B. These results rank Gordon's amongst the top non-selective schools in England for progress and attainment.

Massively over-subscribed, Gordon's size ensures that every pupil is well known and nurtured as an individual. The School has a very strong emphasis on academic standards, self-discipline and traditional values and aims to be much more than just outstanding examination results, providing abundant opportunities outside the classroom and exceptional pastoral care.
